## AMWELL COAL FOR \$100.

I. W. Seaman Buys a Washington Co. Tract for \$25,000.

A deal was closed on Saturday by which the coal under the Charles Van Kirk farm in Amwell township was sold. Isaac W. Seaman, the Uniontown capitalist, being the purchaser. The Van Kirk farm is one of the largest in Amwell township, containing a total of 238.83 acres. It is located near Van Kirk station on the W. & W. railroad. The price paid was at the rate of \$100 an acre, or a total of \$23,883.83, the Washington Observer says.

The first option on the farm was taken at \$15 an acre about 15 years ago, and it has been optioned at other times, but the options were allowed to lapse, the price rising from \$15 to \$75 in price until the last time when the farm was placed at \$100. At the same time he bought the Van Kirk coal. Mr. Seaman bought the coal under the Van Kirk farm and 105 acres of tract being formerly a part of the Van Kirk place. One hundred dollars per acre was the price and the purchase money was paid in cash.

Scores of Conneltsville Readers Are Learning the Duty of the Kidneys.

When they fail to do this the kidneys are sick. Backache and many kidney ills follow.

Urinary troubles, diabetes, Doan's Kidney Pills cure them all. Mrs. Mary E. Ryan, 28 E. Main street, Uniontown, Pa., says: "Several years ago my son learned of Doan's Kidney Pills and gave a box to one of our drug stores. He began using them for backache and kidney troubles and found relief to relief."

Although it is hard to know how to tell the kidneys are sick, the experience of my niece, Miss Carrie L. Woodward who lives with me. In 1902 she was confined to bed for ten weeks, being almost helpless with pain in the back. She suffered a spasm of pain and was also quite distressed with headaches and the kidney secretions were in a terrible state, being highly colored and containing sediment. She was treated by doctors one of whom said she had only one trouble. As none of them helped her, she came to the conclusion that the kidneys were the cause of her trouble and got a box of Doan's Kidney Pills for her. By the time she had used two boxes she was up and around and four boxes brought about her recovery. I think these two cases are a good proof of the worth of Doan's Kidney Pills."

**SOLID SHOT HURLED**

**At Speaker Cannon by Shackelford of Missouri in Lower House.**

**CALLED A DESPOTIC TYRANT**

Mr. Grovernor Filibusters Manfully in Hope of Securing Shoulder Straps of Lieutenant General for Messrs. Corbin and MacArthur.

Washington, March 17.—For an instant in the house there was a lapse in the vigilance of those who have been on guard to prevent legislation which would take away the rank of lieutenant general in the army and the chances of Gen. Corbin and MacArthur for promotion. Mr. Prince of Illinois, whose bill abolishing the grade is question, the regular order of business under call of committees, slipped into the legislative breach. There was an immediate call to arms on both sides and for three hours the friends of the generals filibustered against the bill.

The result was that the previous question is ordered on the bill and an amendment is pending, having been offered by Mr. Grovernor of Ohio, which extends the time of the operation of the bill so as to allow the promotion of the two officers named. On this amendment the house was voting but without a quorum when adjournment was had until Monday when the vote will be completed. At present it stands 78 ayes and 53 nays on the amendment.

An Opportunity Arose. Previous to this, the first filibuster of the session, there had been four hours of debate on the legislative bill. Mr. Shackelford of Missouri, with a severe criticism of Speaker Cannon, which he was not allowed to finish. This followed a somewhat lively debate on the appropriation bill.

The house considered a bill permitting the leasing of 5,000 acres of arid lands in La Plata county, Colorado, to a rubber company, for the cultivation of the rubber plant. Mr. Shackelford (Missouri) was given permission to discuss the bill and began to criticize Speaker Cannon regarding the statehood question. Before referring to the statehood matter Mr. Shackelford had this to say about the manner in which Mr. Brooks got his bill up:

"The gentleman was not recognized until he had first surrendered his constitutional right as a representative of the people and crept into your private room. Mr. Speaker, there to supplicate you to extend to him your grace."

Cannon Bitterly Scored. "No member can submit any matter to a vote of the house until he shall have first sought and found favor in your sight. The constitution contemplates that the speaker shall be the servant of the house, the defender of the constitution you have made yourself its master. You have packed every committee so that no bill can be reported without your consent. Unless you are willing to member can move to discharge a committee from the consideration of a bill and take it up in the house."

"You sit an enthroned despot, subjecting the rights and destinies of this great people to the dictates of your own unbridled will."

"Who stands today between a progressive, enlightened people and the statehood which they are entitled to? You sir. Only you. You crack your whip and a majority of this house cowers at your feet. You turn your thumb down and the house deals a death blow to prostrate, bleeding Oklahoma."

Interrupted by Tawney. Here Mr. Shackelford said he had read in the morning papers that "Uncle Joe" had given it out fatuously that he would not permit the house to concur in the senate amendment on the statehood bill and proceeded: "What a horrible announcement to be made in a free country. The confusion in the house throughout Mr. Shackelford's remarks was such that few members knew what he had said when Mr. Tawney stopped him with an objection."

**REMEDY IS SUGGESTED**

Insurance Commission Recommends Amendment of Valentine Law. Columbus, O., March 17.—In a report filed with the governor, State Insurance Commissioner Voss urges that the Valentine anti-trust law be extended to prevent any combination to control fire insurance rates in Ohio. He declared that the anti-combustion law proved ineffectual inasmuch as it applies only to corporations and does not affect agents. The commissioner urges fines as a penalty instead of revocation of charters.

The house has adopted the Yost resolution to adjourn April 2 until the first Monday in January, 1908.

The senate has passed the Woodburn house measure making an appropriation for the support of the common schools.

The house passed the following bill: Permitting building associations in process of liquidation to pay money of minors to themselves or guardians; to prohibit use of any device, emblem or circle upon school ballots; making it a misdemeanor to refuse to appear or to testify before general assembly or any of its committees; providing children abandoned in infancy cannot be compelled when adults to support parents.

An arbitration was held this week in court at Somerset in the ejectment case of Harrison Snyder against the Rockwood Brick & Coal Company. Mr. Snyder's action is based on royalties alleged to be due him on coal and fire clay taken from his lands. His royalties amounted to \$1,000 or more, but the Rockwood Brick & Coal Company had defaulted entirely on payments to him, and by the terms of the law the minimum royalty clause became operative for the whole of the five years' leasehold, which make the royalties much larger. The arbitrators, John C. Kimbrell, Herman L. Boon and Norman T. Boon, gave Mr. Snyder an award of \$6,400. This award, it is asserted by the Pittsburgh contingent's attorney, will be appealed, and considerable litigation will yet ensue before the ejectment case is finally disposed of.

**REMOVING**

**Will Soon Be Comfortably Situated in Our New Store Across the Street. . . .**

These are moving days with us. We're leaving the old home for our new quarters in the McClenathan block and in a few days will be comfortably situated and ready to show the public of Connellsville and the surroundings the largest and most handsome line of furniture ever displayed in this section of Western Pennsylvania.

**A New \$40,000 Stock of Furniture**

Our stock will be brand new and will consist of the very latest designs in furniture, carpets, lace curtains, chinaware, stoves, oil cloths and linoleums. We will show everything in these lines that is absolutely up to the times in styles and our prices will remain as heretofore, lower than others in every instance.

We wish to tender our thanks to our many old friends for their liberal patronage in the past and extend a very cordial welcome to all to come and look our new line over. Our credit system will remain the same as in the past. Credit to all who wish it, the purchasers making terms to suit their own convenience.
